

It is finished I said to my Father
I've done what you sent me to do
I didn't lose not one you gave
Your covenant is now renewed

Into your hands, I commit my spirit
For I know you gave life to me
But I gave it to them, those who were lost
So their souls can be set free

I went to the lowest depth of the earth
And led others in my train
I carried them back to the beginning
Where your Word became my name

I came to greet my people first
But you had another plan for me
I've bared the pain and drink from the cup
So that you receive victory

I waited for this day for over three decades
Satan has now been defeated
No more deaths or sacrifice has to be made
Because now we hold the key
