

New Life Blaze Track Club Founded in 2012

### **Team Mission:**

The New Life Blaze Track Club is a ministry of New Life Bible Church. Our club is a non-profit organization which is dedicated to the development of youth athletes through exposure to track and field. The New Life Blaze TC an opportunity for young people in the New Life family and surrounding communities to learn valuable life lessons through participation in track & field. We believe that one should be judged not solely by performance on the field or court, but also, by the effort put forth to maximize potential. We challenge each individual to make the most of his or her God-given ability, not only in sports but in life as well. Our coaches are godly men and women who possess a vast knowledge of the sport and most importantly love working with children.
